

Autumn 1 Newsletter

Welcome back to the new academic year. We are very much looking forward to this year and we know that we shall continue to move forward and flourish as the year progresses. There have been many changes over the last 12 months and we thank you for your patience and support whilst these have taken place. As always, the door is open should you have any concerns.

Mrs Cosgrove

Hello

Hello to Katie Tennant who is now our full time Office Manager. She comes with a wealth of experience and we are certain she will be a great addition to the office team.

We also welcome Emily Connolly to the teaching team as she begins her journey into her teaching career. Please say hello to them both if your paths cross and welcome them to our special little school.

Praise Assembly

We are changing our Friday assemblies to one where we will celebrate the children's achievements with one or two children chosen from each class every week. If your child is to receive a certificate at any point you will be invited in to watch them receive it.

We know children will really enjoy this and we look forward to celebrating with them.

Changes to the end of day.

As you know the patio area can become very congested at the end of the day which poses lots of problems for teachers trying to dismiss the children. For this reason we shall trial bringing the classes up to the playground and handing the children over to parents and carers there. We ask that you stay on the playground and wait until the children are lined up before taking your child so that we can ensure they have gone with the right adult. There is no doubt that this will initially cause a little confusion but as always we know you will support us whilst we see if this system can work.

Contact details:

Please ensure that all contact details are updated with the office please so that we can contact you should the need arise.

Coffee Morning:

This term's coffee morning will take place on Tuesday 22nd September at 9.10am. Please come and join me for coffee and a sausage bap.

Internet Safety Talk:

Straight after the coffee morning (10.15am) Mr Bassett will be holding an Internet Safety talk for parents. All parents and carers are welcome.
