

Quinton Church Primary School Autumn 2 Update 2015

November 2015

Dear Parents,

I hope you all had a good half term and that the children enjoyed their free time.

As usual they have come back full of enthusiasm and are very much looking forward to the next few weeks and all the events that we have planned.

As you know, last week we had a very successful Multi-Faith Week where children were able to visit different places of worship as part of their topic. This really helps their understanding of the world around us – especially as Birmingham is so multi-cultural.

Next week we have our science morning and we hope as many of you as possible are able to join your children for some really exciting activities.

As there is so much happening over the next few weeks we ask that you look in your child's bag each Friday to ensure that you are receiving all correspondence. If you feel that you are not, spare copies are kept in the front entrance – feel free to take one whenever you need.

A few reminders...

We would like to remind parents not to take their child from the line at the end of the day until they have been dismissed. Similarly we ask that if you need to speak to the teacher that you do so once the class has been fully dismissed. A few parents have tried to speak to their child's class teacher when they are trying to do the 'handover' and this has the potential to cause a few problems.

Please remember to contact the school if someone other than the usual person is collecting. Obviously the safety of your child is of paramount importance so we thank you for your support with this.

Finally, in recent weeks we have had a few parents who have been extremely rude and in some cases, quite verbally aggressive to members of staff. Please remember that we all want the very best for your child and that a positive relationship between school and parent/carer is the best way to achieve this. Sadly, we will have no alternative but to ban any person from school grounds if they are unable to articulate themselves in a calm and respectful manner.

As always, if you do have any concerns please do not hesitate to contact me.
